

outside Parcel H and the MEMP site as a whole.

Department of Energy, Miamisburg Environmental Management Project, P.O. Box 66, Miamisburg, OH 45343-0066, Phone: (937) 865-3620, Facsimile: (937) 865-4489.

**FOR FURTHER INFORMATION CONTACT:** For further information on general DOE floodplain and wetland environmental review requirements, contact: Ms. Carol Borgstrom, Director, Office of NEPA Policy and Assistance, EH-42, U. **SUPPLEMENTARY INFORMATION:** This Floodplain Statement of Findings for the Transfer of Parcel H at the MEMP has been prepared in accordance with Executive Order 11988, Floodplain Management, and 10 CFR 1022, DOE Regulations for Compliance with Floodplain/Wetland Environmental Review Requirements. A Notice of Floodplain Involvement was published in the **Federal Register** on January 12, 1999 (64 FR 1797). The DOE received no public comments on the Notice, and the proposed action remains the same. The proposed action would support ultimate disposition of the MEMP site. The MEMP site has been determined to be excess to DOE's long-term needs. This decision is supported by the Nonnuclear Consolidation Environmental Assessment (DOE/EA-0792) and associated Finding of No Significant Impact (FONSI) dated September 14, 1993, and the Memorandum of Understanding (MOU) between the DOE Defense Programs, Environmental Management and Nuclear Energy Programs, dated August 1, 1995. In order to meet DOE's programmatic need to disposition land determined to be excess to its needs, ownership of the entire MEMP site will eventually be transferred to a non-Federal entity. The property will be released in phases, since certain parcels of property are still in use or are not yet suitable for transfer. This Statement of Findings addresses one parcel of land, comprising approximately 14 acres of property in the northeast corner of the MEMP site. Transfer of the subject parcel conforms to state or local floodplain protection standards, in so much as any future land

owner will be subject to the applicable state and local codes governing development activities in property that lies within a floodplain.

Issuance: Issued in Miamisburg, Ohio on April 15, 1999.
